

## High Security Key Filing System for 300 keys

### High Security Key Filing System 300/HS

- Designed specifically for high security environments
- Manufactured from 3mm welded steel plate body with a 6mm steel door
- 3-way locking mechanism for added protection
- Standard locking – CEN/VDS approved double bitted lock and 2 keys
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Key locations can be recorded on the control index which is removable for added security
- Durable Light Grey paint finish will suit most environments
- Supplied with bolts and plugs for surface mounting. Alternatively recess into the wall for greater security
