

TTS-32 Tech Tether Sling

TACKLE TECH-TETHER MOBILE HANDHELD COMPUTER SCANNER HOLSTER

Ensure Your devices stay with your workers and not lost, damaged or for sale on the internet! The TECH-TETHER™ System is an easy to use device jacket with retractable tether and padded sling. It attaches your device to its user so it isn't left behind. It is comfortable to wear even while driving and climbing ladders. Proven Key-Bak® retractable tether technology allows full range of motion and a two point attachment system keeps the device close to the body when not in use

- Prevent workers from losing track of expensive mobile computers
- Fits Most popular Mobile Computers with and without protective case
- Comfortable, wearable sling offers a full range of motion for maximum productivity
- Device easily removed from Jacket for charging or untethered use when necessary
